
风险提示

高风险投资

外汇保证金交易以及 CFD 交易涉及高风险，未必适合所有投资者。请您在交易金石集团所提供的外汇及其他产品之前，应谨慎考虑自己的投资目标、财政状况、交易需求及经验。如无法承担损失，请不要贸然投资。此网站由金石集团所制作。本网站的内容仅供交易者参考，交易者需要自行作出独立投资决定。金石集团已尽力确保网站资料的准确性，但无法保证资料的精确度。金石集团可随时更改网站内容而无需通知交易者。我们无法为客户直接或间接因网站内容或无法登录网站造成的损失负责。

保证金交易风险

保证金交易涉及潜在的利润，同时也会有损失的风险。杠杆的特性意味着任何市场走势都将对您的投资有对应比例的影响。因此其损失可能远远超过您之前投资的金额。外汇以及商品价格变动受到全球一系列因素影响，其中很多是不可预测的。金石集团无法保证您可能受到的最大损失。

市场观点风险

由金石集团及其工作人员提供的任何新闻，分析，调查及观点都不构成任何投资建议，并无法以任何方式保证其正确性。金石集团对于任何依赖于口头或通过互联网提供的信息，延误，不确定性，错误或遗漏的信息所造成的损失将不负责。

网络交易风险

网络交易是具有一定风险的，包括但不限于硬件、软件和互联网连接故障以及其他人力不可抗拒之因素（比如特殊天气条件及天灾、战争、劳资纠纷通讯或电源故障等）。由于金石资本无法控制您的设备，信号接收或通过互联网连接的可靠性配置，我们无法及不会对于通过网络交易时发生的通信故障，失真或延误负责。金石集团将尽力减少系统故障的可能性，同时在需要的时候，客户也可以通过电话进行交易。

RISK STATEMENT

High Risk Investment

Foreign exchange margin trading and CFD transactions involved high risk and may not be suitable for all investors. Please consider your investment objectives, financial status, trading needs and experiences before Forex trading and other products that provided by GS. If you are unable to bear the loss, please do not rush to invest. This website is made by GS. The content of this website is for traders only, traders need to make independent investment decisions. GS has made every effort to ensure the accuracy of the information on the website, but cannot guarantee the accuracy of the information. GS may change the contents of the website at anytime without notice the traders. We are not responsible for the loss of the customer's content directly or indirectly due to the content of the site or the inability to log on to the website.

The Risk of Margin Trading

Margin trading involved potential profits, and there is a risk of loss. The characteristics of leverage means that any market trend will have a corresponding impact on your investment. So the loss may be far more than the amount of your previous investment. Foreign exchange and commodity price changes are affected by global factors, many of which are unpredictable. GS cannot guarantee that you may receive the greatest loss.

The Risk of Market View

Any news, analysis, investigation and opinion provided by GS staffs shall not constitute any investment advices and shall not guarantee its correctness in anyway. GS shall not be liable for any loss resulting from any information, delay, uncertainty, error or omission of information provided on or through the internet.

The Risk of Networks Transactions

Network transactions are risky, including but not limited to hardware, software and Internet connectivity failures, and other forces that are irresistible (such as special weather conditions and natural disasters, war, labour disputes, or power failures). Since GS cannot control the reliability of your equipment, signal reception or reliability through the Internet connection, we cannot and will not be responsible for any communication failures, distortions or delays that occur during network transactions. GS will try to reduce the possibility of system failure, and when necessary, customers can also trade by phone.
